We The People

improve Service Delivery through people's participation.

This is the focus of our work at **We, the People**

We do not encourage our people to celebrate when clients waiting for their solution on deadline

Life should be a continuous celebration, a festival of lights the whole year round. Only then you can grow up, you can blossom. Transform small things into celebration. - OSHO

We The People

HR policies at RAIDLAYER

Instead of standing in que with candle or flag in office we encourage our people to celebrate with family

Life should be a continuous celebration, a festival of lights the whole year round. Only then you can grow up, you can blossom. Transform small things into celebration. - OSHO

We The People

HR policies at RAIDLAYER

Gender equality between women and men with respect to their treatment, opportunities, and economic achievements.

adequate minimum wage guarantee decent living standards to our people.

We The People

HR policies at RAIDLAYER

Bringing diversity in the workplace is one of the topmost priorities for us

A diverse mix of voices leads to better discussions, decisions, and outcomes for everyone.” — Sundar Pichai
